2. Scope of Work Executed

Large Bridges works for Trishakti Power Generation Corporation completed 2019.

The work was carried out under site conditions that included existing services running across the corridor that had to be protected in place. The agency organised its resources around this without recourse to the department for additional assistance, and the programme was re-sequenced locally to keep the critical path intact.

An extension of time was granted during execution on account of restricted working hours imposed near the adjoining school. The delay was examined by this office and held to be beyond the agency's control; no compensation was claimed and none has been paid.

The above work was executed under the supervision of the undersigned in accordance with the approved drawings, specifications, and the terms and conditions of the contract. The work has been completed in all respects and has been got inspected by the Engineer-in-Chief / Superintending Engineer.

3. Quality Assessment

The overall quality of the completed work is graded **Very Good**. Workmanship was good, with finishing standards above the specified norm, and a joint inspection was held before final measurement. Materials were drawn from approved sources and the test results filed with this office were within the limits prescribed in the contract specification.

Parameter	Assessment	Remarks
Workmanship	Satisfactory	As per IS codes and approved specifications
Material Quality	Satisfactory	Test certificates on record
Dimensional Compliance	Satisfactory	Verified against approved drawings
Safety Compliance	Satisfactory	BOCW Act provisions followed

5. Deficiency / Observation List

At the time of taking over, no deficiency of consequence was recorded at handover. Regarding site safety, one first-aid case was recorded and closed with a toolbox briefing. The agency's conduct during the contract is recorded as cooperative, with weekly progress reporting maintained without prompting.

Nil. No major deficiencies observed during the final inspection carried out on 2019-05-31. All minor observations pointed out during the interim inspections have been rectified to the satisfaction of the inspecting authority.

6. Recommendation

Having satisfied myself as to the quantity and quality of the work executed, and on the basis of the joint measurements recorded in the measurement book, I certify the work complete and recommend release of the balance payment together with the retention money due on expiry of the defect liability period. Certified by N. Kulkarni, Deputy General Manager (Projects).

The agency attended to all observations raised during execution and the work was taken over on satisfactory completion of the final inspection.

This certificate is issued for the sole purpose of recording completion of the above work and does not absolve the contractor of any obligations under the contract, including the defect liability period.
