2. SCOPE OF WORK EXECUTED

Water Supply works for Gujarat Municipal Corporation completed 2024.

The work was carried out under site conditions that included hard rock encountered below the founding level over part of the alignment. The agency organised its resources around this without recourse to the department for additional assistance, and the programme was re-sequenced locally to keep the critical path intact.

An extension of time was granted during execution on account of restricted working hours imposed near the adjoining school. The delay was examined by this office and held to be beyond the agency's control; no compensation was claimed and none has been paid.

The above work was executed under the supervision of the undersigned in accordance with the approved drawings, specifications, and the terms and conditions of the contract. The work has been completed in all respects and has been got inspected by the Engineer-in-Chief / Superintending Engineer.

3. QUALITY ASSESSMENT

The overall quality of the completed work is graded **Satisfactory**. Workmanship was consistently within tolerance, and final inspection was completed in the presence of the client's representative. Materials were drawn from approved sources and the test results filed with this office were within the limits prescribed in the contract specification.

Parameter	Assessment	Remarks
Workmanship	Satisfactory	As per IS codes and approved specifications
Material Quality	Satisfactory	Test certificates on record
Dimensional Compliance	Satisfactory	Verified against approved drawings
Safety Compliance	Satisfactory	BOCW Act provisions followed

4. MILESTONE STATUS
